

Regulation issues from the perspectives of contrasting match-fixing

- Orientation to a pragmatic outcome: promoting a contact group for upgrading/reviewing regulation in view of to fostering contrast to match-fixing. A role for EASG?
- Match-fixing is a very serious threat to the social role of sports
- AWC Approach for ongoing programs
 - AMFF <http://www.anti-match-fixing-formula.eu>
 - AMATT <http://www.anti-match-fixing-top-training.net>
 - T-PREG
- The cultural issue of sport betting: autonomy of sport and economic independence
- A first crucial passage: sport is an economic sector
- A second crucial passage: designing and building policies
- Private Public methodologies and interventions
- Self regulation of private bodies
- A precondition: a systematic robust fight to illegal betting
